Eeva Hytonen—Our Foreign Exchange Student

"I was very lucky to have a chance to attend Norwalk High. I want to thank all the students and faculty members for making this year so enjoyable and worthwhile. I really enjoyed it and I'll never forget you. I enjoyed playing in the band and attending parades and half times. I was very honored to be an honorary princess in the homecoming court. It was a "moment to remember." I also saw my first football game here. I've never enjoyed watching any sport that much. Especially I want to thank my American parents, Mr. and Mrs. Norton, and my sister Valerie for the love and helpfulness they gave me during my stay. This year made me do a lot of growing up and I feel that I learned something that no one could ever teach me, something that I had to learn through experience. I think everybody should have a chance for this experience, so we would notice that there are people on the other side of this world, too. What do we live for if not to make this world less difficult for each other?"

It all began with an idea. Should there be a course which involves the studying of our environment plus an activity in a selected environment? After a discussion with the school board, the course soon got on its way in the summer of 1970. Mr. David Taylor, our biology and life science teacher, was to conduct the course. and Miss Jewell Davison (P. E. Teachers), they went to Minerates Wilderness Area near Mammoth, thus beginning their five day back-packing hike. On their way home, the students took a sulphuric bath at Hot Creek to brush off the dust 'n dirt they accumulated during their stay. Members of the class felt a club should be organized when regular school began. Once okayed, their activities included Fish Canyon Falls and Camp Sturtevant in the Gabriels; plus a sixteen dollar profit at the Sadie Hawkins Dance. During the summer of '71, course 2 got on its way. This time, La Mirada High went along making the ride a very tight fit. When school began, Club 2 went into progress. The club has gone to Slushy Meadows, Camp Sturtevant for the second time, plus more. Also, more money was raised at the Sadie Hawkins Dance. This summer, course 3 plans on going with Newport High in an attempt to cross the Sierra-Nevada Mountains!

Drama Club and Thespians help to encourage interest in all areas of play production, acting, scenery, and make-up.

During the Fall, the band entered in parade competitions at several Band Reviews, such as Santa Monica and Arcadia. This year the group traveled to Buena Park for the Silverado Days parade as well as the County Fair ... representing the City of Norwalk.

They presented the annual "Pop" Music Concert and a formal Band Concert. They also performed in the Norwalk Memorial Day Parade.

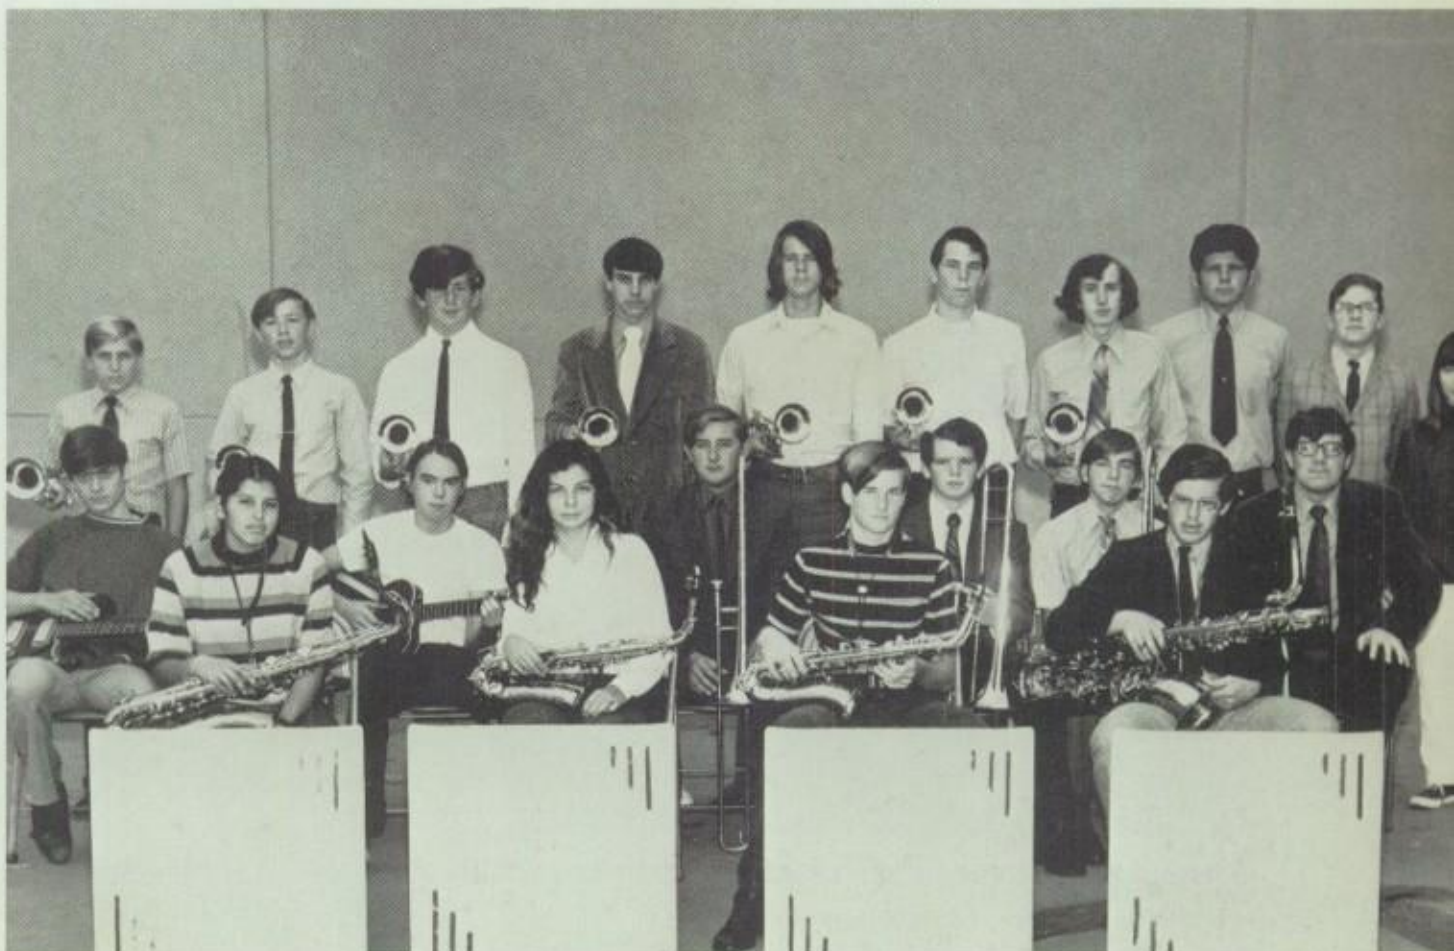

Students in the Instrumental Music Area get many chances to represent Norwalk High.

Excalibur Publishes Student Writing

Each year Excalibur gives Norwalk students a chance to see their creative writing in print. It features poetry, essays and short stories. One of the year's poems follows ...

This path which leads me
back and forth
through happiness and sorrows
and indifference
has taught me secrets
life would not tell
unless death were coming.

But the road is paved with treachery.
I know not whether
I ought to believe it, or shun
its eager teaching;
does it grasp me
or strangle me?

The road has many turns -
I turn each bend
in hopes that the path ahead
will be straight and wide.
But each morning
that I awaken for my new journey,
the road has disappeared.

And I am left standing amid the
wildflowers.

Students Are Given the Opportunity to Discover Vocational Interests

The Work Experience Education Program has been a big success this last year with Mr. DenBeste as Work Experience Coordinator. This course offers high school students an opportunity to prepare for the world of work. As a school course the Work Experience Program provides for the awarding of grades and credit to students who successfully complete the requirements of the program. The Work Experience students are supervised and evaluated by both the employer and the school. The three types of work experience are exploratory, general, and vocational.

Sports: Where the Action Is

Key Injuries Plague Sarver's

After the position of head football coach was vacated, J. D. Sarver, an assistant for several years, accepted the job. In his first year as head coach, Mr. Sarver worked with good potential to develop a winning team. Bad breaks combined with key injuries plagued Sarver throughout the season. The varsity finished the season with a 3 win 6 loss record. With this season's end, Coach Sarver is in the process of building a no. 1 team for next season. In his years at Norwalk High, he has worked constantly to promote a good athletic program.

Jim Smuts blocks as Artesia brings down hard running tailback Daryle Schatz.

The Lancers at the beginning of the season displayed awesome running attack and a most tenacious defense. Bad breaks in the game and especially key injuries hurt the Lancers throughout the rest of the season.

Although there were many disappointing moments, one of them came at the first league game. An outstanding performance by both defense and offense, but still bad luck looked heavy on the Lancers, a 7-6 loss to 3rd ranked Pioneer. The bright spot of the season came when the Norwalk eleven upset the 17 point favored Excelsior Pilots by the score of 14-13 at Cerritos. At the Fall Sports Awards night, Daryle Schatz was awarded Back of the year. Mike Delgado received Lineman of the year. Most Improved went to Brent DuBois. Most Inspirational Player was awarded to Derald Wimmer. The Honored and outstanding award of Most Valuable player went to Joseph Botello.

Norwalk placed only one player on the all-league team, running back, Daryle Schatz.

Row 4: Robert Scranton, Tony Anderson, William Bresach, Berry Smith, Tony Bayus, Gregg Gipe, Phil DuBois, William Crespo, Dale Steele.

This is Coach Don Eston's first year at Norwalk, after transferring here during the summer from La Mirada. As Sophomore Football Coach, Eston along with his assistant line coach Ernie Bergen compiled an outstanding season record of 7 wins, 1 loss, and 1 tie. The only loss was in a pre-league game which had no effect on their league statistics having a 4-0-1 league record and the league championship.

The honor of most valuable lineman went to guard and line-backer Robin Rodriguez.

Most Valuable Back, an outstanding receiver as well as a runner was George Ramos.

Hard work and practice proved to be the key to success for the Sophomore League Champions.

Back of the year went to Quarterback Nate Allen. Lineman of the year went to Cory Brown.

Varsity Cagers Met Unexpected Season

Varsity Basketball Players are from left: Coach Terry Bales, Leonard Espinoza, Steve Hagy, Dave Wiles, Don Buma, Randy Wilkins, Dan Fackrell, Bill Moore, Anthony Tiritilli, Bruce Gelle, Ed Hernandez, Mgr. - Scott Shepherd.

This year's Varsity Basketball season was a disappointing one not only for the team, but also for Coach Bales. Coach Bales suffered through his worst record at Norwalk High. Even though it was the best shooting Varsity team he has had, it's defense left much to be desired. In the Glenn Tournament, however, Norwalk took second place, which became the highlight of the season. Bill Moore had the honor of making the Glenn All-Tournament Team. The team received balanced scoring from Bill Moore, Randy Wilkins, and Ed Hernandez. Playmaker, Ed Hernandez set the record for most assists in a season this year. The only returning letterman will be sophomore, Anthony Tiritilli.

Senior Bill Moore was honored by the Varsity team members when they named him Most Valuable Player and Honorary Captain. Randy Wilkins was named Most Improved Player and Bruce Gelle was honored for having the highest free throw percentage.

Randy Wilkins won an "Oscar" for this performance.

J. V.'s Faced Disappointing Season

This year's J. V. Basketball team didn't quite have the season they expected. Many players gained the experience needed to play Varsity next year as there will be only one returning Varsity letterman. The team received fine play from Gregg Gipe, Rex Ives, Phil DuBois, and John Burns. Taking the Consolation Championship at the Neff Tournament became the highlight of the season for the J. V.'s. During league, the J. V.'s ended up with a 3-7 record, winning two close games over Pioneer by one point each. Most Valuable Player honors went to Gregg Gipe.

Although the Cees started off slowly, they ended up playing consistent basketball. With their efforts in league action, the Cees were able to tie Pioneer for the league championship. Freshman, Nate Allen, led his team in all departments and was the major reason for the Cee's victorious season.

Norwalk wrestlers again had a very successful season. Although losing their first dual match in four years was very disheartening to the matmen. An outstanding performance by all weight divisions contributed to a very fine overall record. Dedication and desire by each wrestler proved to be Norwalk's key to success.

Participating this year in tough tournament competition, Norwalk matmen took 4th at the Pacifica Tournament, a 4th at the 5 Counties Tournament in Fountain Valley and a 2nd at the Cerritos College Tournament.

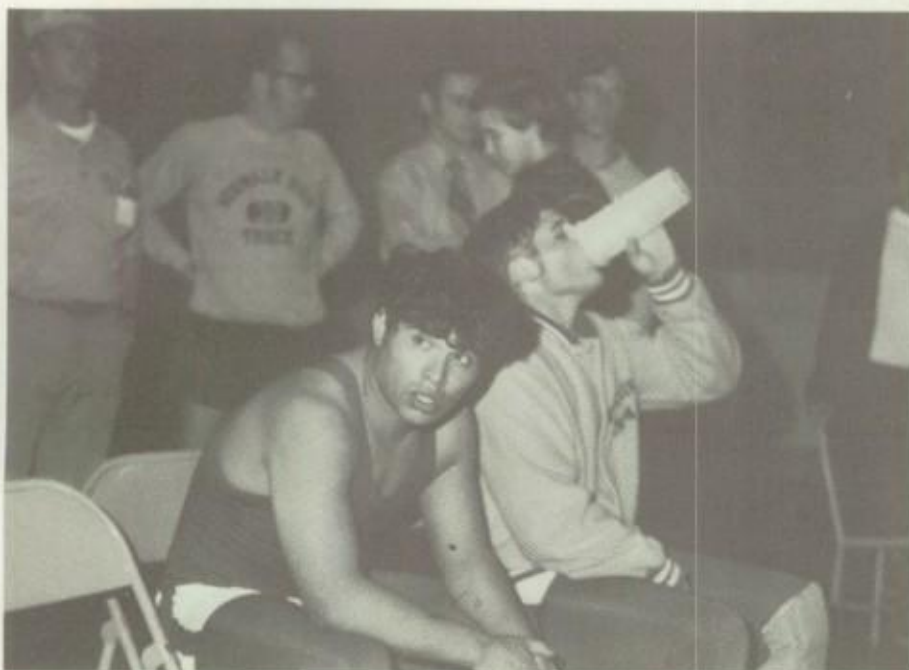

At League Finals held here at Norwalk, the matmen were disappointed to lose the league championship to Bellflower by a close score; ending four years of consecutive league championships.

Under the direction of Coaches Leon Estes and Larry Brunner the Varsity and Junior Varsity provided a highly successful year. The Varsity MVP award went to Joe Botello. JV Most Valuable was Dale Steele.

Good Times Made This

Yes, it has been a great year and good times were everywhere. Whether good times to you means being happy, being in love, or just being yourself, you will find them here.

Throughout this book you've seen the many directions that good times go in. We hope that you will look back through these pages in the years to come and relive some of those precious memories that made this a great year at Norwalk.

One of the most precious memories you will have will be the friends you have made ...

A Great Year

Every end is a beginning.

Every end of a cloudburst
is the beginning of a sunny spring day.

Every end of a sunny spring day
is the beginning of a warm summer wind.

Every end of a warm summer wind
is the beginning of a colorful Fall.

Every end of a colorful fall
is the beginning of today.

Every end of today
is the beginning of tomorrow.

Every end of tomorrow
is the beginning of the past.

Every end of the past
is the beginning of the future.

Yes, every end is a beginning.
Except one thing. Friendship.

At every end of a friendship
there is no beginning.

There is no sunny spring days,
warm summer winds, colorful falls,
no today, tomorrow, and no future.

So I ask you please,
let there never be an
end to our friendship,
and there will always be
a beginning to every end.

Tony,

I think you are a really
nky bass player and all that but
you ought to get to moving around
on stage, man, flip out and get on your
knees and scream, man... "Get it on."
You know I'm only joking, right. Have
a nice summer, Mel Seacher, and I'll
probably see you next year.

Take it deezy,
"Led"
